19. No passing horses in the aisle way!! Pop your horse in a stall and let others pass by.

Special needs:

1. Any pasture boarded horse that is in need of daily medication, supplements, or special grain will be charged an additional cost of **\$25.00** monthly for us to take the extra time needed each day to ensure that these horses are getting the chance to eat all their grain themselves.

2. There will be **no charge** for minor care of injury if owner supplies medication and instruction. However, more complicated procedures will incur charges subject to the amount of time needed to properly care for horse.
3. Pasture boarded horses needing to be stalled for injury will be charged an additional **\$8.00** per day. You may opt to change over to full boarding at the current full board rate if injury will be long term but must do so for one full month to avoid the daily cost.
4. If you pasture board and wish for your horse to be stalled over night due to inclement weather, the daily cost will be **\$10.00** per day (24 hour period). This service will only be available if we have empty stalls at the time of your request.
5. Any horse that requires more than the normal amount of daily hay/grain that we provide in order to maintain desired body weight will be charged an additional **\$25.00** per month.
6. Boarders will be charged a restocking fee for any medicine & medical supplies used for your horse.
7. If you take your horse away from the stable for any reason you will still be responsible for your monthly board. There will be no reduced rate for the time you are gone.
8. Horses returning to the stable after being at training in a different barn will be treated as any new horse coming onto the property. This is a precautionary measure to ensure the health of all horses.

Miscellaneous:

1. Outside trainers/instructors are welcome as long as they do not interfere with other lessons/riders. They must pay a ring fee of **\$25.00** per each lesson/instruction given. They also need to provide a copy of their liability insurance and sign a BSS liability waiver. It is your responsibility to make sure your trainer/instructor is aware of this rule.
2. You are entitled to ONE saddle rack per boarded horse at no charge.
3. Please limit the amount of "stuff" you put in the tack room.
4. Boarders are responsible for the care and maintenance of their tack.
5. You are free to bring your own drinks/food and store it in the refrigerator but mark your drinks clearly so others don't mistake them for drinks to purchase.
6. No boarder is allowed to put more shavings in their stall without approval. Please, if you want to supply extra bedding for your horse it **MUST** be the same brand we are using or there will be an extra charge for cleaning.
7. We strive to be a drama free facility. If you have questions or concerns about your horse then we ask that you come and speak with either the owner or the barn manager. We will not tolerate trouble makers or those who like to gossip. Please find another barn!!
8. During any "Acts of God" situations (draught, wind damage, rain, hail damage, etc.) where weather conditions directly impact our on farm hay crop, each horse could be billed a surcharge for additional hay needed to get through the winter months.
9. BSS has a "invitation only" show team. If that is something that interests you then please feel free to talk with us and let us know your goals.
10. We are happy to show you our grain barn so you can see for yourself how we handle and mix all the different grains that are used at our facility, however this building is locked and off limits to boarders due to prescription medications we are responsible for.

Broken Spoke Stable welcomes all riders regardless of ability and discipline. We believe that horses thrive better when allowed to be out doors as much as possible and as weather permits. We have nearly 120 acres plus surrounding land we can ride on. We are continually improving our barns, pastures, and property. We believe that there is always something new to learn when dealing with horses but unless you are asked, please **keep your advice to yourself**. We want the time you spend at our stable with your horse to be relaxing and enjoyable. I have been a boarder myself and have tried to take all my past experiences and learn from them. That is why at Broken Spoke Stable all horses will be treated the same way I would treat my own horses. The best way to solve any problem that may arise is to come directly to me so we can find a suitable resolve. Respect for our horses and respect toward each other is expected from ever
